EXPERIENCE

Graduate Assistant   San Antonio, TX

CISS Department at Our Lady of the Lake University   January 2019 - Present

- My duties as a Graduate Assistant included assisting professors with:
    - Technical Projects (i.e. Sign-In database, configuring a server for VMs, and CISS tutoring)
    - Administrative Tasks (i.e. Taking calls/messages and filling out paperwork)

CISS Tutor   San Antonio, TX

Our Lady of the Lake University   March 2018 – January 2019

- The subjects that I tutor CISS for are:
    - Intro to Logic and Design (Python)
    - Computer Programming I (Python)
    - Writing for the Web (HTML & CSS)

Application Security Intern   San Antonio, TX

Frost Bank   June 2017 – March 2018

- As part of the Application Security team at Frost Bank I was tasked with:
    - Analyzing and reporting new findings in static and dynamic scans.
    - Creating reports for developers, upper management, and Application Security team members.
    - Modifying security documentation (FFIEC Risk Assessment)

System Administrator Assistant   San Antonio, TX

Our Lady of the Lake University   February 2017 – August 2017

- I worked with the following to help the Infrastructure division at Our Lady of the Lake University:
    - Windows PowerShell
    - VMware
    - Active Directory
- I worked on System Administrator tickets related to:
    - Maintaining Virtual Machines
    - Writing scripts on PowerShell to automate tasks related to Active Directory

PROJECTS

CyberSaints Club Website (cyber-saints.com)   San Antonio, TX

Our Lady of the Lake University   December 2018 – Present

- After finding a template online I was tasked to help create new pages and modify the website to the needs of the Cyber Saints.

Menu GUI (Python)   San Antonio, TX

Our Lady of the Lake University   Spring 2016

- I was tasked to develop a general restaurant menu using Python with features that included:
    - Prices and Images for each item
    - Having an input field for the quantity per item you wanted
    - The total amount (including tax) would be calculated for you
